Disclaimer

This conversation reflects the perspectives of industry experts, with each participant expressing their individual opinions, not the views of any company.

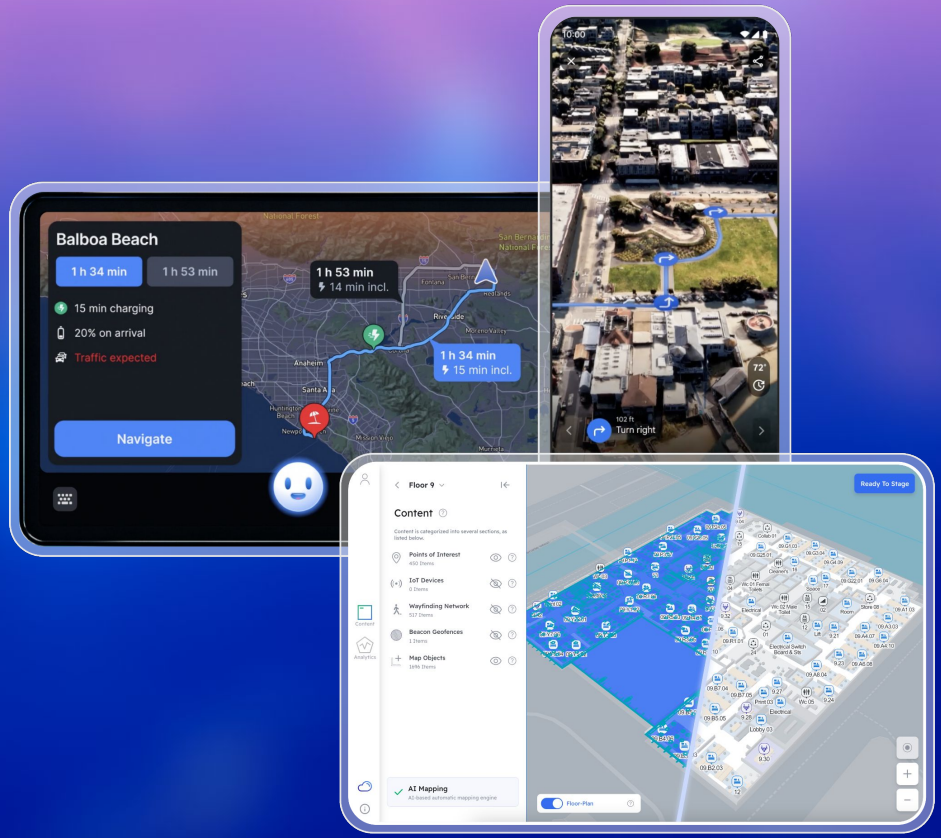

Agenda - What we cover

1. **How AI is Used Today** – The biggest AI trends shaping mapping, real-time navigation, and smart spaces.
2. **AI in Action** – Live Demos from Pointr, Mapbox & Google
3. **The Next 5 Years** – what's next for AI Mapping?
4. **Live Q&A** – Get your biggest AI/mapping questions answered—directly from industry leaders.
